Thanks to you both for the explanation. I have attached a declaration summarizing the document production and what occurred with the member. Are one of you able to review, confirm the accuracy of the characterization of the documents, and sign and date. I've included placeholders for whoever signs

the document. We would consider this as satisfying our subpoena for documents and for deposition. Please feel free to reach out if you have any questions.

Best,
Matthew

Hi Matthew:

There comes a point when we stop sending statements but the client still has an open balance .

Thank you for the quick response. And just so I understand, what happens when the member does not make a payment? Is the remainder forgiven or written off or something along those lines?

Subject: RE: **Redacted for PHI/PII** - Restore Health and Wellness

Hello Matthew:
IOP was provided
02/25-03/08/2021
4/27/2021

Patient did not make any payments.

“Submission Count” is how many times the statement has been mailed to the patient.

For the Patient chart# [Redacted for PHI/PII] patient statement with the remainder balance was mailed to him 9 times (every time the amount changes the new statement with the new count appears) For Chart [Redacted for PHI/PII] statement was sent to him 16 times.

Please reach out if you have additional questions.

Thank you,

P dub#Whudqd

Hi:

No problem, we will answer all of your questions. I am going to include our billing supervisor Maria. She can answer you much better than I can.

Maria- please see the questions below and see if you could answer them for Matthew. Thank you .

Thanks Melinda. Our case is focused on IOP treatments and so I am trying to understand what happened there

specifically. As I read the documents, the member was received IOP services from 2/25/2021 to 3/8/2021 and that he owed around \$18,299.30. Are there any documents reflecting if he made any payments on those treatments. Or the 4/27/2021 IOP treatment? Also, what are the "Sent count" documents showing? Does the Submission Count show the number of times statements were sent to the member? Sorry for all of the questions, I just want to make sure I understand what happened.

Best,
Matthew
